

CITY PROPOSAL #12- HEALTHCARE- HEALTH IN LIEU

5.5 Payment-in-Lieu of Health and Dental Insurance

5.5.1 The purpose of the payment-in-lieu of health and/or dental insurance program is to allow employees who have double health and/or dental insurance coverage to drop the City's insurance and receive a payment-in-lieu.

5.5.2 Employees who qualify for and participate in the payment-in-lieu of health and/or dental insurance program will receive 50% of the City's contribution toward their health and/or dental insurance at the lowest cost single or family plan if the employee is eligible for family coverage. The City will retain the remaining 50% of that contribution \$250 per month if the employee is eligible for family coverage and \$100 per month if the employee is eligible for single coverage.

5.5.3 An employee who is already receiving other City provided medical benefits is not eligible for payment-in-lieu.

5.5.3 The payment-in-lieu of health and/or dental insurance program is available to full-time employees who are not on a reduced workweek or unpaid leave and have alternate group health and/or dental coverage. To qualify, an employee must provide proof of alternate group coverage to Human Resources. Alternate coverage must be acceptable by the City.

5.5.4 Enrollment in the payment-in-lieu of health and/or dental insurance program can only be done during the first 30 days of employment, during the annual open enrollment period, or within 30 days of a qualifying event (defined in the Human Resources Benefits Handbook as a change in marital, dependent or work status of the employee or the employee's spouse) occurring anytime during the year. Employees who miss the 30-day time limit after a qualifying event must wait until the next open enrollment period to enroll in the payment-in-lieu of insurance program. Enrollment in the payment-in-lieu of insurance program may be canceled by the employee only during the annual open enrollment period unless the employee loses alternate group coverage. Enrollment or cancellation during the open enrollment period will become effective the first pay period of the following calendar year.

5.5.5 Payments for the in-lieu insurance program will be discontinued if an employee becomes ineligible for the program. An employee's ineligible status would include but not be limited to the following situations: employment status changes from full to part time, employee is on an unpaid leave of absence, employee is on a reduced work week, or employee loses or does not have alternate insurance coverage. An employee whose in-lieu payments are discontinued may enroll, if eligible, in a health and/or dental plan during the next annual open enrollment period.

5.5.6 If an employee loses alternate coverage, the employee may enroll in a City health and/or dental plan outside of the open enrollment period. To be eligible, the employee must provide verification that alternate coverage has been lost.

5.5.6.1 Health Insurance. To enroll in a City health insurance plan following loss of alternate coverage, the employee must pay all unpaid premiums (City and employee contributions) and refund any excess in-lieu payments required to make the coverage effective on the date when alternate coverage ceased. Re-enrollment in the plan shall be in accordance with the carriers' enrollment procedures.

- 5.5.6.2 Dental Insurance. Enrollment in a City dental insurance plan following loss of alternate coverage will become effective the first of the month following payment of two dental premiums through the City's payroll process. Re-enrollment in the dental insurance plan shall not be retroactive.
